

According to 34 CFR 668.16 (p), institutions have a role in checking the validity of a student's high school completion. Institutions are required to develop and follow procedures to evaluate the validity of a student's high school completion if the institution or the Secretary has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education.

Hinds Community College has a process in place to evaluate the validity of a student's high school diploma and completion. The process can be found at [Determining the Validity of a High School Diploma](#).

Diplomas from the high schools below not accepted by Hinds. Applicants with a diploma from one of these institutions are not guaranteed admission to Hinds, even if they have attended another college or Hinds in the past. Please note that this list is subject to change. For the most up-to-date list, please contact the Office of Admissions at 601-857-3212 or Admissions@hindsgcc.edu.
